LOTS OF COLLEGES TALK ABOUT TRANSFORMATION: FIND YOURSELF HERE. INVENT YOURSELF HERE.

Richmond is different.

Students who come here are already remarkable. Our job is to help cultivate that. To respect it. To challenge and empower you.

And how we do that is through 185+ years of connections, exceptional resources, and a collaborative, inspirational attitude that permeates our beautiful campus and moves you.

So while everyone else is busy finding themselves, you’ll be well under way creating your best life.

“The faculty encourage students to rise to their level. Their excitement about my excitement has really pushed me to be better, do better, try harder, and accomplish more.”

LIZ MINDER ’19
An environment where wellness, professional opportunities, and even award-winning cuisine are the norm.

It sounds hyperbolic to say everywhere you look on our campus, there’s something for your mind, body, and soul. But we can prove it. From the new Well-Being Center to the award-winning dining hall, the free shuttle service to RVA, and the peaceful nooks that surround Westhampton Lake, we like to say it’s an inspiring, intellectual meeting place that Spiders also call home.

51,000 loyal alumni who share more than just a one-of-a-kind mascot.

They also share an enduring connection to our Career Services team, ranked #2 in the U.S. by The Princeton Review. A few of our most popular programs for current students:

**SPIDER ROAD TRIPS**
Visit employers in major cities with the Career Services team to talk skills and jobs.

**SPIDER SHADOWING**
Want to spend a full or half day alongside an alum or friend of UR to explore their career? We’re on it.

**DECONSTRUCTING SERIES**
Considering a career in a specific industry, but not sure where to start? Our guest speakers break it down for you.
An academic experience that transcends textbooks.

There’s only one place where you could have the opportunity to develop leadership programs in London, research malaria transmission in the Amazon, or train with professional dancers in Cuba—and your university would pay for it. We call it the Richmond Guarantee: up to $4,000 earmarked just for you to help enrich your time here. And that’s just one way we encourage Spiders to think outside our brick walls.

WHILE AT UR
SELA BETZ ’20 FOUNDED A STUDENT-RUN ADVERTISING AGENCY
ANNIE BARRETT ’18 LAUNCHED A SOCIAL TRAVEL APP FOR STUDENTS STUDYING ABROAD
PARR MCQUEEN ’19 CONDUCTED FIELD RESEARCH IN BELIZE EXAMINING THE EFFECTS OF AGROFORESTRY ON MICROORGANISMS.

Financial aid with no catches.

Our goal is to propel Spiders toward a life of purpose and impact, wherever they may go. That includes doing all we can to make a Richmond education affordable. And we meet 100% of demonstrated financial need for all admitted applicants.

“There’s almost an unwritten guarantee that someone, somewhere on our campus, will see some kind of potential in you and want to help you develop as a person.”
