

## Your child's intellectual life is just one part of the Richmond experience.

We hope you're already familiar with our standing among the nation's finest universities. What you might not know are the countless, constant ways we help students adjust to college life and get the most out of their time with us. We devote considerable resources to creating a safe, welcoming, and inclusive community that builds confidence and well-being — preparing our students to succeed and thrive wherever they may go from **here.**

## Their success is our priority.

Your child will build extensive knowledge, hands-on experience, and powerful skills. We'll help them build a path that connects their passion to purpose and a lifetime of meaning and success.

**WALKER BROWN '16.** Inspired by his study abroad experience in South Africa, Brown and a fellow exchange student launched Lubanzi Wines, a socially conscious wine company that benefits South African wine farms.

*"The idea is that when a consumer buys a bottle of wine here in America, a portion of the proceeds will end up directly back in the hands of the real community working and laboring on the very farm that produces our wines."*

**JUDY AND JENNY TAT '14.** Twin sisters and first-generation Americans, Judy and Jenny Tat began their global careers while still in school, winning the Singapore Management University Diversity and Inclusion Business Challenge. As Judy said:

*"The more I travel and the more people I interact with, I realize how important diversity is in terms of how you communicate effectively to someone, how you understand their values and beliefs. Oftentimes culture is the underlying factor that determines everything."*

**ANDREW BOGLE '12.** As both a football player and a biology student at UR, it was Bogle's experience on the field as well as in the classroom that prepared him for his chosen career path. Now an orthopedic surgeon and a primary physician for UR's Spiders, he has a unique understanding of players' needs.

*"I had always thought I wanted to be involved in medicine, and as I got more involved in sports, I really liked the idea of taking care of athletes and musculoskeletal injuries."*

## We're not *us* without *you*.

Parents are an indispensable part of the Richmond family. If your child decides to spend their college years with us, we want you to feel good about the decision. We hope that you'll humbly brag about their achievements on social media, show up at Family Weekend in Spider gear, and sleep soundly at night knowing they're in good hands. So let us know what's on your mind. We're here to answer your questions, address any concerns, and share our excitement about the possibilities that lie ahead for your child. You're a big part of this process. **So let's talk.**

## Plan a Visit

Come see the campus for yourself, or join us for an online admission event. Be sure to make time to explore the museums, restaurants, and historic neighborhoods in the city of Richmond as well.

## Where basic needs meet extraordinary resources.

In order to thrive academically, students must feel secure in their physical and mental health, personal safety, and sense of community belonging. We help all Spiders enjoy their lives and maximize their potential by encouraging them to:

### REFLECT

We took the traditional health office and upped the ante with our new Well-Being Center. Here, students can meet with counselors, doctors, or therapy animals. They can practice yoga in the studio or meditate in the garden. **These amenities and more are available to every student.** Plus, our chaplaincy works nonstop to help Spiders continue to connect with their faith.

### RECHARGE

Overlooking our campus lake, the stunning, spacious Heilman Dining Center is just one of the many beloved eateries on campus. Come sample the Green Dream smoothie at Organic Krush, or just take our word for it. Your child will be well nourished.

### CONNECT

Tubing with an adventure club. Hosting an open mic night. Sitting lakeside with a few close friends. There are endless ways to get involved and find your niche in this welcoming community. Richmond people are kind and curious, dynamic and engaged. Your child will find a second home among us.

### BREATHE

Above all, a sense of safety and well-being are non-negotiables. In addition to our Police Department's 24/7 Patrol Division, we offer such services as free safety checks on Vehicle Safety Day and the Campus Loop — a late-night shuttle service that stops at every residence hall.

## Financial support and added value.

We want to make sure that this exceptional academic experience is accessible for every student who has earned admission. That's why we meet **100% of a family's demonstrated financial need** and automatically consider every student for our generous merit scholarships.

### MERIT SCHOLARSHIPS

#### Richmond Scholars:

Equal to full tuition, room, and meals

#### Oliver Hill Scholars:

Equal to one-half tuition

#### Presidential Scholarship:

Equal to one-third tuition

### YOU KNOW WHAT ELSE?

When you compare aid across colleges, it's easy to get stuck on tuition, room, and meals and forget that the many seemingly small out-of-pocket expenses can really add up. We make sure they don't. It's all about bringing even **more value** to an already amazing experience.

#### INCLUDED AT NO ADDITIONAL COST:

- Division I sports tickets
- Living-learning programs
- Performing arts tickets
- Laundry
- 5-year gym membership
- Student activities
- Pre-orientation programs

#### STUDY ABROAD FUNDING:

Students studying abroad receive a \$1,000 travel stipend to cover airfare and cultural experiences. And students without a passport can apply for one for free at our passport fair.

#### SERIOUSLY DISCOUNTED:

Annual parking permit: \$130 at Richmond (up to \$1,684 at our competitors)

#### GUARANTEED:

Up to \$4,000 for an unpaid summer internship or faculty-mentored research project
