Our commitment to you is far too deep to convey in just one campus visit.

BUT HERE'S A HIGH-LEVEL SUMMARY:

LEARN FROM THE BEST

Richmond attracts the finest, most innovative professors. In part, because we let them focus on what they love most: teaching and mentoring you.

MOVE BEYOND THE ABSTRACT

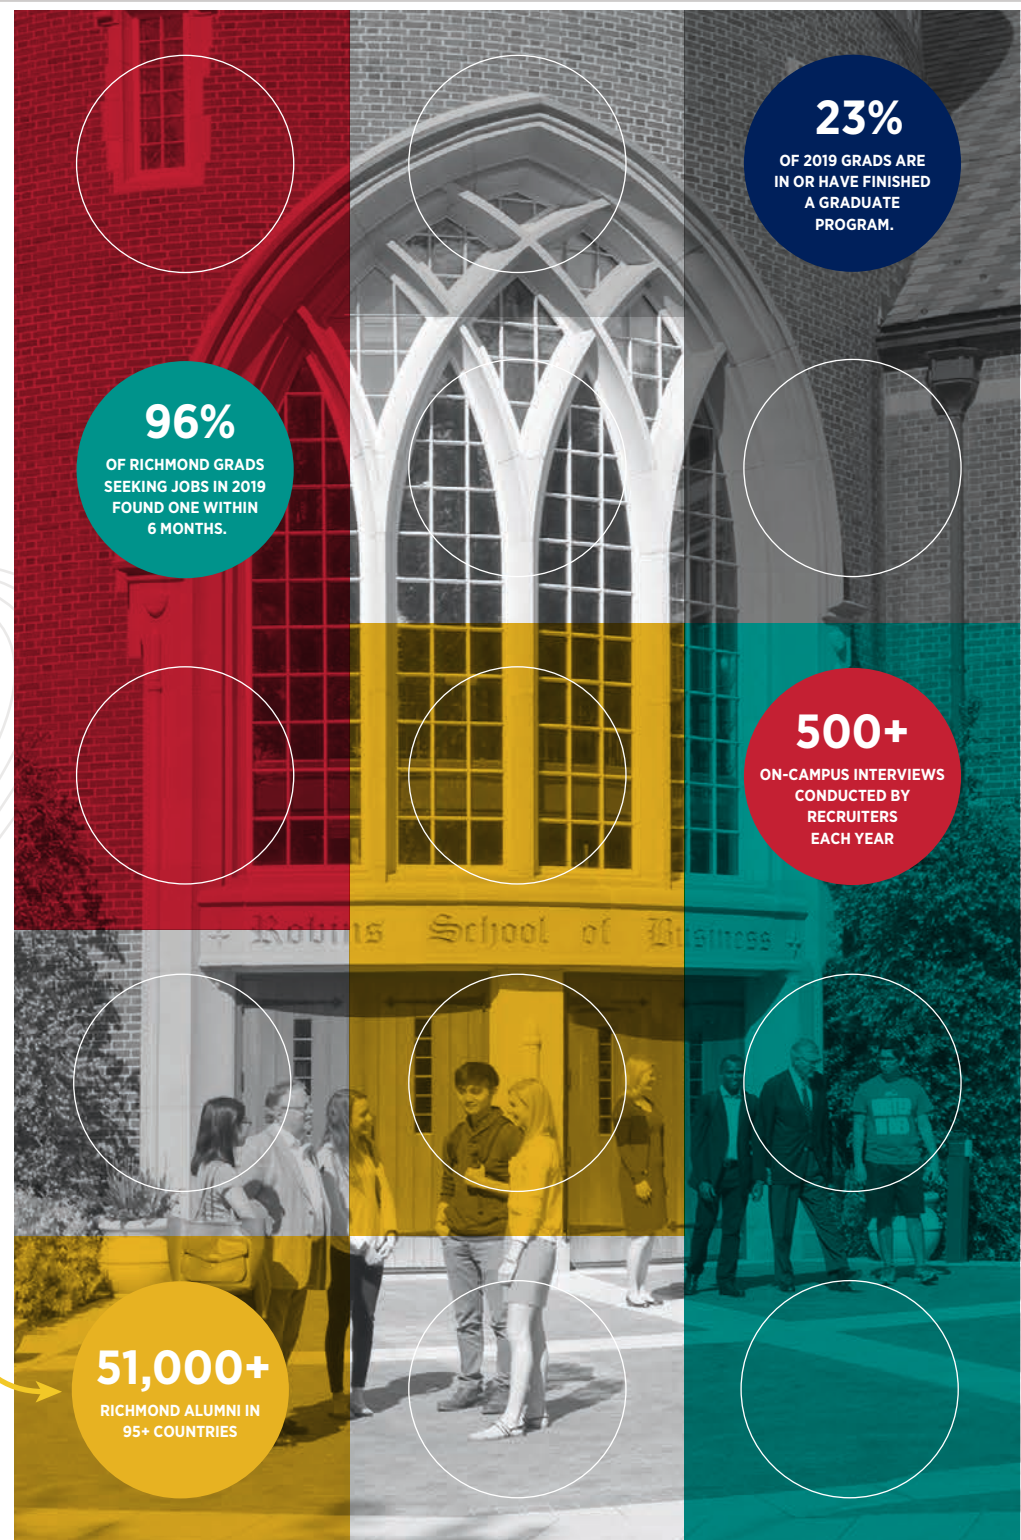

We aim to help you make your biggest impact. Plan your ideal faculty-mentored research project or pursue an unpaid (or underpaid) internship and we'll fund either — up to \$4,000.

Whether you're tracking red-spotted newt migration, perfecting nano-particle measurement, or translating Jordanian literature, **we're here to assist and applaud.**

A few hours could last for the rest of your life.

Chances are, the college you choose will determine the company you'll keep for the long run. The mentors you find, the friendships you forge, and **the connections you make** will shape the arc of your future.

That's why it's so important to get to know the place that could become your forever home base. Spend some time with us. Poke around. Talk to everyone you meet and see if we seem like your people.

Come see our sunsets for yourself.

However many words a picture might be worth, the best views of Richmond are only possible here. So schedule your visit. Come contemplate your future. The best way to know if a shoe fits is to wear it.

DO I NEED TO SIGN UP IN ADVANCE?

You can just show up for a self-guided walking or driving tour, but if you'd prefer to have us show you around, schedule a tour or register for a virtual admission event at:
admission.richmond.edu/visit.

WHERE WILL I STAY?

Choose among dozens of unique options just off campus:
